

## Norther "Mirror Of Madness"

I'm caught by the Mirror,  
it's like a Nightmare,  
I cannot get out  
I'm seeing that face again  
and it's making me mad  
My rage and hate is taking over  
when you look at me  
so I close my eyes  
and you scream to me

Leave me alone,  
you're not real to me  
this is the way it has to be  
This mirror is twisted  
and so are you

[chorus]  
Hey you, in the mirror  
stop twisting my weak mind  
Mirror of madness,  
stop haunting me

Hey you, before the mirror  
your eyes keep telling you lies  
Mirror of madness,  
is making you insane  
[chorus]

Fuck off my mind,  
I told you to go

but you don't believe  
so I'm forced to deceive  
There is no other way  
to end this day  
I believe you are real  
and you live in me  
but you have to die  
Step into the light,  
don't be shy

You keep on telling me your lies,

"Kill yourself and it's alright"  
Don't want to die but I hope you do

[solo: K.Ranta]  
[solo: P.Lindroos]

[chorus]  
Hey you, in the Mirror  
I'll smash your face to pieces  
Mirror of madness,  
this dream is over

No more, you no more  
your face is gone, forever  
Mirror of madness,  
left me alone  
[chorus]

forever gone...
