Music: K.Ranta & P.Lindroos

Lyrics: K.Ranta

I am all alone  
in this pitch-black night  
All my dreams in vain  
I am the one who lost the fight  
Black shadows around me  
no hope, no light left inside  
Heartless I am  
it's time to cut, bleed and die

chorus:

All this sorrow inside me  
turns to hate  
I'll have my revenge now  
I won't waste another day  
There's no use in  
denying our love  
I have to go tonight

I will fly away

chorus

Now we are together  
beyond the gates in eternity  
I hold your hand  
as we drown together in this sea  
There's no angels  
to guide our way  
We are lost forever  
the pain inside won't fade away
