What you said me today
Made me realize it's too late
To set you free
To save your sick ass soul
What did I believe
What did I still believe
That you can't be real
Eventhough you are full of shit

SELF-RIGHTEOUS FUCK!

You fear the truth
And twist it to fit your needs
You fear it all
And I despise you for that
Self-righteous fuck
And you make it seed
Contagious till the end
I will make it stop

It's too late
For you
To save yourself
It's too late
For me
To save myself

Now you prepare
To meet your destiny
To face the truth
Eyes wide open to see
Can you now swear
That your way is the one
Do you still say
That there's nothing wrong with me

[Solo: P.Lindroos]

[Solo: K.Ranta]

It's too late
For you
To save yourself

It's too late
For me
To save myself

It's too late
For you
To save yourself
It's too late
For me
To save myself

SELF-RIGHTEOUS FUCK!
