You judge, you know better, you think that you are
something more,
I know you're something less.
You say, you are better, you think that you are so much
more,
I know you're so much shit
Every day, it goes further, you're loosing everything
there's left, and that
ain't much.
Anyway it's wrong, anyway it's bad, anyway so sad that
this is where we've
come

So sad, so real
No way, to feel

[-chorus-]
you don't know
you don't know
you don't know shit
