Can't believe my ears , oh god what you say ?  
I'm hearing this every day , wait what ?  
Let it stop !

Hate me ,hate him, hate everyone, hate us , us as  
number one  
Hate me ,hate him, hate everyone, hate us , us as  
number one

Now that time has passed  
I know my own strenght  
I know who I want to be  
I know who I want to be

I'm so full of rage  
I don't even want to get out of this cage  
It just bleeds me (YES!)  
it just feeds me(YES!)  
it just mother-fucking reveals me (YES!)

\*whispering\* now that time has passed,I know my own  
strenght ,I know who I want to be  
hang in your gallows

we are on our own  
you wanna die- alone?

I'm gonna cut your life in pieces  
AS MY PRESSURE IN VEINS INCREASES

Now that time has passed  
I know my own strenght  
I know who I want to be  
I know who I want to be

I'm taking back emotions  
You ain't nothing

if it's worth something

shut the fuck up !
