I don't mean nothing to you
but the bottomline you high
your only heart is there too
everything that's yours is mine

I'm no longer wasting time, today
I won't hide away, I've played the fool
and I'm over it honey

I've been playing the game, a time or two
and I'm over, I'm over it
ah ooh ooh, ah ooh ooh
and I'm over, I'm over it

It's only a matter of time
'til you ran your river dry
there's no escaping your lies
they will wrong you when you're right

when you're on the other side, you will say
I won't hide away, I've played the fool
and I'm over it honey
I've been playing the game, a time or two
and I'm over, I'm over it

Everything everything will eventually come around
But one thing that you will never see is a crown

I won't hide away, I've played the fool
and I'm over it honey
I've been playing the game, a time or two
and I'm over, I'm over it
(x2)

ah ooh ooh, ah ooh ooh
and I'm over, I'm over it
(repeat til fade)
