Baby, don't understand
Why we just can't hold on to each others hands
This time might be the last I fear, unless I make it all
too clear
I need you so, can't let you go, no

So take these broken wings
And learn to fly again, learn to live so free
And when we hear the voices sing
The book of love will open up and let us in
Take these broken wings

Baby, and tonight we can take what was wrong and
make it right
'Cause baby it's all I know that your half of the flesh
And blood that makes me whole, makes me whole
I need you so, baby, I need you so

So take these broken wings
And learn to fly again, learn to live so free
And when we hear the voices sing
The book of love will open up and let us in

Take these broken wings
You've got to learn to fly, learn to lift and love so free
And when we hear the voices sing
The book of love will open up for us and let us in

So take these broken wings
And fly away, learn to live enough for another day
Let's fly, let's fly

So take these broken wings
And fly away, learn to live enough for another day
Let's fly, let's fly

Ooh child, things are gonna get easier
Ooh child, things are getting brighter
