So you think that it's over,
That your love has finally reached the end.
Any time you call, night or day,
I'll be right there for you if you need a friend.

It's gonna take a little time.
Time is sure to mend your broken heart.
Don't you even worry, pretty darlin'.
I know you'll find love again. Yeah.

[Chorus:]

Love is all around you. Yeah
Love is knockin' outside your door.
Waitin' for you is this love made just for two
Keep an open heart and you'll find love again, I know.

Love is all around you.
Love is knockin' outside your door.
Waitin' for you is this love made just for two
Keep an open heart and you'll find love again, I know.

[Chorus / Outro:]

Love will find a way.
Darlin', love is gonna find a way,
Find its way back to you.
Love will find a way.
So look around, open your eyes.
Love is gonna find a way.
Love is gonna, love is gonna find a way.
Love will find a way.
Love's gonna find a way back to you, yeah,

I know. doo doo doo doo doo
I know.
doo doo doo doo doo
I know.
