:

Can I bum a light from you baby?

If you let me I'll buy you a round

Sure is packed, is that seat taken?

Do you mind if I sit down?

I see you tappin' your foot there baby,

So you like that song?

Well it happens to be one of my favorites,

Do you wanna dance baby? C'mon

It's time to get a little weekend crazy,

There's no need to make it all that tough

We ain't jumping off the deep end baby,

It ain't gotta be love

No, it ain't gotta be love

No pressure let your hair down baby,

We can take it slow

Your name and what you're drinkin' is all I need to know

It's time to get a little weekend crazy,

There's no need to make it all that tough

We ain't jumping off the deep end baby,

It ain't gotta be love

No, it ain't gotta be love

It's time to get a little weekend crazy,

There's no need to make it all that tough

We ain't jumping off the deep end baby,

It ain't gotta be love

No, it ain't gotta be love
