Undercover, uh-undercover lover
Undercover, uh-undercover lover
Undercover, uh-undercover lover
Undercover, uh-undercover lover
Youâ€™re my lover
Undercover, uh-undercover lover

You put a spell on me, oh so carefully
You disguised your love
Then he hides from me, itâ€™s so easy to see
How heâ€™s blinded
Heâ€™s a real-life, dark knight kind of a guy

You walk away from me, but itâ€™s so plain to see
How youâ€™re mine
He thinks heâ€™s fooling me, but I know better
Itâ€™s a sure, sure thing
I got a one-way, all-day ticket to love

Oooh, la-la-la-la, uh-huh, hey
I said, oooh, la-la-la-la, uh-huh, hey-yeah
I said, oooh, la-la-la-la, uh-huh

Heâ€™s a Real McCoy and heâ€™s my favorite boy
Heâ€™s got me chasing love
And heâ€™s on to me, got me crazy indeed
Heâ€™s always racing love
Well, heâ€™s a grown-ass, first-class American man

Undercover, uh-undercover lover
Undercover, uh-undercover lover
Undercover, uh-undercover lover
Undercover, uh-undercover lover
Youâ€™re my lover
Undercover, uh-undercover lover
