For all the music that he makes
That rings around inside your heart
For all the love that you two make
Honey, it's tearing me apart

An' if one day he makes mistakes
An' drives you away
Watching your heart break
Is more than I can take
Oh baby, I can't compare
I can't compare

For all the money that he makes
All the diamonds an' all the pearls
For all the comfort that he takes
When he's inside your world

An' if one day he makes mistakes
An' drives you away
Leave with god and grace
Don't come in my face
'Cos baby, I can't compare

I'm kissin' your eyes as you fall asleep
I'm watching you breath so peacefully
I'm dreaming of what will never be
Over and over again

(Guitar solo)

An' if one day he makes mistakes
An' drives you away
Watching your heart break
Is more than I can take
'Cos baby, I can't compare
Leave with god and grace
Don't come in my face
Baby, I can't compare
I can't compare
I can't compare
Oo-oooh
Ooo-oooh

Oo-ohh
Ooo-oooh
