Donâ€™t you forget, youâ€™re on the mind
Of someone higher, higher
Donâ€™t be perplexed, youâ€™re on the time
Of someone higher, higher

Break away
From the vibes that get you low
Enters your core and hits you
Paralysing your liberty

We live in circles repeating our tracks
A need for realigning
I can recall a little soul
Frustrated and trying to fix every attack of the enemy
Live it to Him, He paid the price
Donâ€™t take home your burdens tonight

Free your mind
(free your mind)
Deeper and deeper into our suffering
We need not worry â€œ
Faith is the remedy

Donâ€™t you forget, youâ€™re on the mind
Of someone higher, higher
Donâ€™t be perplexed, youâ€™re on the time
Of someone higher, higher

Situations that cause us to react
Changing our character
And threatening our victory

We have a call but we press deny
Dejecting our purpose to do right
When you feel like giving up
Pressed hard -you hold on
Persevere He will keep you strong
Donâ€™t ever quit, your benefits
Will come in the morning

Free your mind
(free your mind)

Deeper and deeper into our suffering
We need not worry â€“
Faith is the remedy

Donâ€™t you forget, youâ€™re on the mind
Of someone higher, higher
Donâ€™t be perplexed, youâ€™re on the time
Of someone higher, higher
