Youâ€™ve got the body and the looks that kill, and
your eyes let out what your lips can't spell.

Iâ€™ve got the touch and a kiss that will make a girl
like you want to take me home tonight.

This room never let's down as the pace get's fast and
the sheet's start singing, and then your face says it out
loud.

So let it out now while Iâ€™m rocking your body again.
Youâ€™re like my Friday night. Up late, in take do what
you want to.

Iâ€™m like your 9 to 5. Too late, heartbreak cause I
forgot you.

Oh you should know this is drunk love on the go.

So play it right, and hold on tight while Iâ€™m rocking
your body again.

Whereâ€™s everybody when the lights go out while the
two of us, we turn this night around.

Iâ€™ll let you touch, Iâ€™ll let you kiss, and let you
feel.

Iâ€™ll let you move until your body says it's been my
thrill.

This room never let's down as the pace get's fast and
the sheet's start singing, and then your face says it out
loud.

So let it out now while Iâ€™m rocking your body again.
Youâ€™re like my Friday night. Up late, in take do what
you want to.

Iâ€™m like your 9 to 5. Too late, heartbreak cause I
forgot you.

Oh you should know this is drunk love on the go.

So play it right, and hold on tight while Iâ€™m rocking
your body again.

Get down, cause Iâ€™m gonna take this night out with
you.

To let out all these things while Iâ€™m beside you.

So hold me tight, get it right so we go now.

Break break away, let's go tonight.

Iâ€™ll never let you know.

Whoah.

Iâ€™ll never let you go.

Whoah.

Iâ€™ll never let it show how much i want to spend

tonight with you.

This room never let's down as the pace get's fast and
the sheet's start singing, and then your face says it out
loud.

So let it out now while Iâ€™m rocking your body.

Youâ€™re like my Friday night. Up late, in take do what
you want to.

Iâ€™m like your 9 to 5. Too late, heartbreak cause I
forgot you.

Oh you should know this is drunk love on the go.

So play it right, and hold on tight while Iâ€™m rocking
your body again.
