I pay the cab fair, but I don't want to be here.  
I walk out back and I'm waiting to see if this party  
could get worse.  
Could get worse than this slut's conversation, it doesn't  
help my situation.  
Cheers to you for touching her.  
I take my drink, say goodbye, I'm gonna leave this  
moment.  
Alcohol drives the party scene,  
The pretty boy drives the drama queen.  
It's gonna be a long night hung-over.  
It feels the longer I stay, slurred words and drunk  
mistakes.  
They make me crazy, but it's all worth it.  
I ran the cab fair, so I could be here.  
You're downstairs waiting to see if this party would  
get worse.  
And I know a first rate conversation doesn't come from  
observation.  
You're the one to take it there.  
You make your drink, stay tonight, gonna save this  
moment  
Alcohol drives the party scene,  
The pretty boy drives the drama queen.  
It's gonna be a long night hung-over.  
It feels the longer I stay, slurred words and drunk  
mistakes.  
They make me crazy, but it's all worth it.
