Your denial drives me crazy.
I hope tonight's not just a maybe.
So I've decided not to be lazy, and plan the night
so you can play me.
It's a proven fact that girls like 'that', just as much
as guys.
So cut to the chase, we'll make a race for the finish line.
Because I told you so.
Baby you know you're nothing special.
Because I told you so.
So we'll touch n go.
It's not enough to say goodbye, so hold my hand
and leave tonight.
Because I told you so.
I'll let you down and we can touch n go.
Your denial drives me crazy, but tonight's a different
story.
Cause you've decided not to be lazy and plan the night
so you can play me.
It's a proven fact that girls like 'that', just as much
as guys.
So cut to the chase, we'll make a race for the finish line.
Because I told you so.
Baby you know you're nothing special.
Because I told you so.
So we'll touch n go.
It's not enough to say goodbye, so hold my hand
and leave tonight.
Because I told you so.
I'll let you down and we can touch n go.
So make your move.
You've made up your mind.
You know you can't deny, everything inside.
You can't fight it, make your move.
Take a look at you now that you're staring me down.
I can see in your eyes, you can't hide it and i told you
so.
Baby you know you're something.
Because I told you so.
So we'll touch n go.
It's not enough to say goodbye, so hold my hand
and leave tonight.

Because I told you so.
Iâ€™ll let you down and we can touch n go.
Itâ€™s not enough to say goodbye so hold my hand
and leave tonight.
We can touch n go.
Itâ€™s not enough to say goodbye.
Iâ€™ll let you down so we can touch n go.
