"Circle"

Visit "[Circle](#)" on MotoLyrics.com

Youâ€™ve seen me running around for a while now
Youâ€™ve seen me fall on my face
Youâ€™ve been the one to wipe away my tears &
always put me in my place
You always say just trust in me
But trust doesnâ€™t come easily
I tried to hide the way I feel inside

Cause no matter when
No matter how
Iâ€™ve tried to tell you how I feel

Baby youâ€™ve got me going in circles
In circles
Falling when I see you smile
Been denying this for a while
But I think you should know
That Iâ€™m falling in love with you
Spinning in a circle of love with you

Youâ€™ve seen me at my worst & at my best
Youâ€™ve seen me put through the test
Youâ€™ve been the one to hold my hand & say
Iâ€™m different than the rest
When youâ€™re staring back at me
You steal this place that no one sees
I seem to find my way right back to you

Cause no matter when
No matter how
Iâ€™ve tried to tell you how I feel

Baby youâ€™ve got me going in circles
In circles
Falling when I see you smile
Been denying this for a while
But I think you should know
That Iâ€™m falling in love with you
Spinning in a circle of love with you

Just take my hand & hold it tight
We can run away tonight

Let's take the road
And drive away
Drive away

Baby you've got me going in circles
In circles
Falling when I see you smile
I've been denying this for a while
But I think you should know
That I'm falling in love with you
Spinning in a circle of love with you
Spinning in a circle of love with you
