A small town girl with her Hollywood dreams
She's crazier than she seems to be
She's not the girl next door
But everybody believes the lie

When she struts around in her Jimmy Choos
She knows everyone wants her shoes
She's got the beach blonde hair & those baby blues
It's in her head that she will never loose

Cause it's a glamorous life
So hold on tight
It's a glamorous dream
Bigger than it seems
Just watch her shine
In the neon lights
Cause it's a 90210, 90210
It's a glamorous life
So hold on tight
It's a glamorous dream
Bigger than it seems
Just watch her shine
In the neon lights
Cause it's a 90210, 90210 life

Her accessory dog is her new best friend
Well there goes Lindsey again
Dressed in Pink in her Mercedes, off she goes, whoa
Follow her to her mansion in the hills
The paparazzi get their thrills
Where she parties all night long
The tabloids will tell it all

Cause it's a glamorous life
So hold on tight
It's a glamorous dream
Bigger than it seems
Just watch her shine
In the neon lights
Cause it's a 90210, 9021
It's a glamorous life
So hold on tight

It's a glamorous dream
Bigger than it seems
Just watch her shine
In the neon lights
Cause it's a 90210, 90210 Life
It's a glamorous life

The latest Vogue is her Bible
She believe she has no rivals
Because everyone wants to be her friend
But in the end,

It's a glamorous life
So hold on tight
It's a glamorous dream
Bigger than it seems
Just watch her shine
In the neon lights
Cause it's a 90210, 9021
It's a glamorous life
So hold on tight
It's a glamorous dream
Bigger than it seems
Just watch her shine
In the neon lights
Cause it's a 90210, 90210 Life
