Sleeping beauty doesn't want to wake up
She's got a business meeting at 10 o'clock
Cinderella's lost her shoe again
She doesn't ever know where it's been

Ariel's been collecting shells
While Eric's stuck at the wishing well
I've been kissing frogs all my life
Just never knowing when its right

Who are you well who are you
To tell me I can't be a princess too

Cause there's a princess in you
A princess in me
There's another one walking down the street
There's a story to tell
She could be the next belle
Oh yeah & there's a princess in you
There's a princess in you
There's a princess in you
In you

Mirror mirror on the wall
Who's the fairest of them all
Is it me or is it you
Don't you know we both can be princesses too

Who are you well who are you
To tell me that I can't be a princess too

Cause there's a princess in you
A princess in me
There's another one walking down the street
There's a story to tell
She could be the next belle
Oh yeah
There's a princess in you
There's a princess in you
There's a princess in you

Don't let him say I don't trust you

Donâ€™t let him say I donâ€™t care
Donâ€™t let him say that I donâ€™t love you
Because you really know whatâ€™s there

Thereâ€™s a princess in you
A princess in me
Thereâ€™s another one walking down the street
Thereâ€™s a story to tell
She could be the next belle
Oh yeah
A princess in you
A princess in me
Thereâ€™s another one walking down the street
Thereâ€™s a story to tell
She could be the next belle
Oh yeah
A princess in you
Thereâ€™s a princess in you
In you

In you in me
And yes you too
Thereâ€™s a princess in you
