I once was a girl not too long ago  
I told my daddy I'd conquer the world  
His response was very very simple  
You're invisible to me in my world

Late at night I would dry my tears  
From the pain he caused throughout the years  
Wondering why I never belonged  
Well I've been invisible for far too long

It's like I'm a shadow  
I'm a shadow on the wall  
It's like you don't know me  
Not a little not at all  
It's like you don't want me  
Well did you ever at all  
When I should be your daughter  
Not just a picture on the wall

You were the one who was supposed to be there for me  
Now I'm trying to forget what you said to me  
All I want is for you to be my friend  
Will you be there for me until the end

It's like I'm a shadow  
I'm a shadow on the wall  
It's like you don't know me  
Not a little, not at all / It's like you don't want  
me  
Well did you ever at all?  
I should be your daughter  
Not just a picture on the wall

I just hope you will understand  
I just want you to be my friend  
Please don't walk on by  
Like I was a picture  
On the wall

I'm a shadow  
I'm a shadow on the wall  
It's like you don't know me

Not a little, not at all  
It's like you don't want me  
Well did you ever at all?  
I should be your daughter  
Not just a picture on the wall  
On the wall
