verybody knows and I've said it before,  
She takes off her clothes,  
Shakes me like I'm not shaken before.

Oh my girl, oh my girl, just give me a chance,  
I don't want to explain, I just want to dance,  
On the graves, on the graves, of every girl,  
That I knew before you, that are dead to me too.  
Hey.

Try to shut your eyes, and this won't hurt one bit.  
See I cannot tell a lie, you just might even like me to  
quit.

Oh my girl, oh my girl, just give a chance,  
I don't want to explain, I just want to dance,  
On the graves, on the graves, of every girl,  
That I knew before you, that are dead to me too.

You always get everything that you want,  
I can't explain, so I'll flaunt what you got.  
I'm yours and you're mine, if you like it or not.  
Oh-ho, oh-ho, I know, oh-ho hey!

Oh my girl, oh my girl, just give me a chance,  
I don't want to explain, I just want to dance,  
On the graves, on the graves, of every girl,  
That I knew before you, that are dead to me too.

You always get everything that you want,  
I can't explain so I'll flaunt what you got.  
But I'm yours and you're mine, if you like it or not.  
Uh-oh, oh no! Oooh, it's so good! Oh-ho, Uh-oh, n' wha-  
ho! Oh!
