(INTRO)

Verse 1:

Work doesn't pay as before, School isn't
teaching no more.
Everybody's to fucking bored, Seeing you're
head down the floor.
Lot of people tell you to give up, Paying your rent or
knowing homework!
Haters will always get in touch, Don't let them take
what you want.

Bridge:

You're enough, Do what you want!
Go and have fun!
Just remember us singing that!

Chorus:

When we feel so good
When we feel so good
When we feel so good
When we feel so good

Verse 2:

Love doesn't work out at all,, Your boyfriend yelled
at you for sure...
He's throwing things in ground, Seeing him like a
wild hound!
She wants it back as before... Your yelling wasn't
good for sure.
Now that you have mixed it up... Just go back and fix it
up!

Bridge:

You're enough, Do what you want!
Go and have fun!
Just remember us singing that!

Chorus:

When we feel so good
When we feel so good
When we feel so good

When we feel so good

(SOLO)

Bridge:

You're enough, Do what you want!

Go and have fun!

Just remember us singing that!

Chorus:

When we feel so good

When we feel so good

When we feel so good

When we feel so good
