All your time is committed
All the time isn't sinning
You keep on playing those games
Relax
I don't know what your doing
All the love you pursuing
And somehow you end up insane
Slow Down

3x's
Why you do the things you do
When we'd do anything for you
and why

Why Why Why do you do the thing you do

I don't know what to do with you
Cause you're being foolish
And somehow you end up the same
Oh Well
All my love is been given
All my time has been shredded
And my love just stays the same
Cause I Care

3x's
Why you do the things you do
When we'd do anything for you
and why

Why Why Why do you do the thing you do

I just need to know
What you're up to
What you need to do
Just to make it
Man I'm hoping that life has you
You don't have to but love's got you
So don't fight it
It's not worth it
And the truth is you're hurting
What your heart say

Follow me now
And we pray now
That you calm down

3x's
Why you do the things you do
When we'd do anything for you
and why

Why Why Why do you do the thing you do
