You and me agree that love is a waste of time
A ticket to a broken heart
Guaranteed to fall apart some day
So I'm just here to say girl I can't be friends no more
I'm turning into Mr. Bright
I'm beggin' you to make me go away... cuz...

Chorus:

I don't wanna be no
I don't wanna be no Sentimental Fool
But when I'm next to you
I can't help it
Said I'd never be no
Said I'd never be no Sentimental Fool
I don't know what to do,
I'm in love with you

We were always laughing at the hopeful ones
Addicted to the romance
Foolish kids who want to fall in love
But now that I'm a victim of this irony
I'm burning all our photographs
Don't wanna be the cliché I've become... cuz...

Chorus:

I don't wanna be no
I don't wanna be no Sentimental Fool
But when I'm next to you
I can't help it
Said I'd never be no
Said I'd never be no Sentimental Fool
I don't know what to do,
I'm in love with you

Bridge:

I know that I'm cavin' in
My misery found a friend
I'm sorry to be so dumb, just run,
Just run before damage is done

... just run, just run, just run away
Run, just run, just run, just run away

Run, just run, just run, just run away
Run, just run, just run, just run...

Chorus:

I don't wanna be no
I don't wanna be no Sentimental Fool
But when I'm next to you
I can't help it
Said I'd never be no
Said I'd never be no Sentimental Fool
I don't know what to do,
I'm in love with you (Repeat)
