I see you running out the house
and crying in the yard
cleaning off the tears I always cause

Every sip I take
Every needle I abuse
It tears me up inside, but I can't get enough

Won't you calm my nerves
With your peaceful sound

Down, Down and Out
Down, Down And Out

Next time you call
Well, I hope that I'm alive
Cause I'm feeling like I might not be

Forgive my sins
cause I'm faded out and drunk
and there's kerosene in my veins, won't you get it out

Won't you calm my nerves
With your peaceful sound

Down, Down and Out
Down, Down And Out

Every time I think I've kicked my habit I haven't
I still need you by my side
In other words

Won't you calm my nerves
With your peaceful sound

Down, Down and Out
Down, Down And Out
Down, Down And Out
