I drink my beers in a hurry
while you get drunk off another man
This love I twisted sour
like train tracks quenching at your mouth
Are you holding another mans hand

Don't run away, don't run away (run away)
Don't run away, don't run away (run away)

Time ain't slowing' down
No matter what I try
Time ain't slowing' down, slowing' down

I'm laying on your sweater
I burry my feelings in your scent
As it fades

Don't run away, don't run away (run away)
Don't run away, don't run away (run away)

Time ain't slowing' down
No matter what I try
Time ain't slowing' down, slowing' down

Time ain't slowing' down
Time ain't slowing' down
