ahhhh nahhhhh  
helllllll nahhhhhh  
ahhhh nahhhhh  
helllllll nahhhhhh

no escape-no surrender-no retreat  
i'm here gettin fed to dogs like meat  
get chained-battered and bruised-ya beat  
life threatad-dome crushed by one packin' heat  
can't cry-lookin' back on the outside  
the crew has dissapeared-ya no more guys  
i think of my bitch-can't go betwven the thighs  
am i gonna die-will i ever survive?  
they bringin' the pain-the tough must thrive  
it's all on b-askin' me to talk-  
say if i don't-- be outlined in chalk  
or cemented and thrown off the warf  
i'm caged, bloodied, and wounded like a dwarf  
a dwarf or gnome-don't really know-  
gonna pull through-get back home  
can't think-can't hardly breath-  
jealous niggas seein' my face in magazines  
i gotta get out-can't slave my life  
ain't gonna die-gotta live a legend  
bs is the warroir of the day  
and a lover at night and player inbetween  
lâ€™™ m your hoes main squeeze-  
she always polite-asked me please  
but it doesn't matter-got me in chains-  
no escape-no retreat-no surrender  
trapped and beaten cause the name bs  
i can't see-can't breath-the choices i made  
now being reprimanded-so fuck the world  
and fuck you to-to whoevers listenin'  
if i don't get to stay-i left my mark on a worldwide  
stage  
dyinâ€™™ the coke fiend cracka pimp niggah

thats me-thats how it is-the walls cavin' in  
looking at all the same-the padded walls  
climb for the top but the bottom falls through  
is this my last breath- end of my life?

It's been 18 years of deep impact  
light is dim-was it ever here-or am I it?  
Why all these questions unanswered?  
wanna go knowin' i led the game  
forced to go down-cause of sudden fame-  
no way out-ya theres no escape  
live or die----

Pack to dust! As I go I
