Peace out Lindsay-Lo
Never thought much of your talent
You loved the lifestyle

So solid at first
But dissolves so fast
We'd like to say we'll miss you
And all your great movies

And I believe your film career was
like a pill in a glass
So solid at first
But dissolves so fast
We'd like to say we'll miss you
And all your great movies
But Mean Girls was the only flick
That was ever good

Peace out Lindsay-Lo

Never thought much of your talent
You loved the lifestyle
And now you're in the ground
Peace out Lindsay-Lo
Jane Fonda's gotta be smilin...
She almost killed ya...
But got beat by blow and bottles...

And I believe your film career was
like a pill in a glass
So solid at first
But dissolves so fast
We'd like to say we'll miss you
And all your great movies
But Mean Girls was the only flick
That was ever good

But Mean Girls was the only flick
That was ever good
