Feels like itâ€™s time to move on!

We gettinâ€™ freaky in the backseat
Like a punk you jump me
Demand my goods- I give you my riches

We walk through the front door
Let me take your coat gurl
How about a little drink... Taking a sip - before you

and Follow me please
unbutton my jeans... Here we go - start the fuckin'
We move and shake, love to pen-a-trate
makin you scream, diggin into my back
took you to that place, its my knack
but enough about you, take cover - here comes the
climax!
