somebody once showed me this movie that got me
horny,
i think i had the hardest head,
the girls were getting pounded, new ways i founded, in
awe of thier sexual positions...
then the guys start cumming, and they donâ€™t stop
gunning, in high hopes in a monster spitting...
inspired me to start to the fun, you get smart as the
hoes get dumb..
so many to fuck, so many to bang, so i best get started
today,
youâ€™ll never nut if you donâ€™t sex, pull out
inbetween the breasts...

hey now! iâ€™m a porn star, get my groove on, get
laid...
hey now! iâ€™m a big show, get my dick sucked,
every--day...
and iâ€™ll nut on her faaaaccceeee.....
only fat hoes get turned down...

itâ€™s a hard cock, and it just gets harder..
iâ€™ll bang your mother, and pork your daughter...
all the girls yell out bâ€™s just ignint...
but they donâ€™t say that to my dick...
the girls i sex, all have nice breasts, so i go do my
thang...
i wanna travel the world, oh yes, and visit and tap every
last girl....

hey now! iâ€™m a porn star, get my groove on, get
laid...
hey now! iâ€™m a big show, get my dick sucked,
every--day...
and iâ€™ll nut on her faaaaccceeee.....
only fat hoes get turned down...

was a cougar,
and drove it home all night looonnnngggg.....
well when i start cumming, thereâ€™™ s no crying...
the hoes are happy, theyâ€™™ re all smiling...
donâ€™™ t make sense not tag, or even become a god-

so many to see, so little words, cause the best game is
no game...
iâ€™™ ll go get that hoe, (ha!)treat her to my show..

only fat hoes get turned down...

and iâ€™™ ll nut on her faaaaccceeee.....
only fat hoes get turned down...
