So ummmmâ€¦ call me back

0:13

Is she pregnant?  
I didnâ€™t pull out  
Started Freakinâ€™  
When she called up  
Didnâ€™t know what  
I was gonna do  
But she ainâ€™t preggos  
So itâ€™s all good

0:25

You know the story, and how I live  
My dicks like Christmas, it loves to give  
Sometimes thereâ€™s ribbons, and fancy bows  
And like a stocking, you know its stuffedâ€¦  
Always a time, you name the place  
Leapinâ€™ at a chance, never hesistate  
Every night a date, BS be smooth  
love to move, love to ooh  
Dude! Donâ€™t even doubt my style,  
I know your girl, bitch is wild!  
Workinâ€™ on 32, donâ€™t have childs  
Close calls yes, sick like bile  
Random 1 nights, they never got my didg  
Just got sperm, on stomachsâ€¦  
So it knocked me off my feet, when she called upâ€¦  
And found my ass, I felt fuckedâ€¦

0:55

Is she pregnant?  
I didnâ€™t pull out

1:22

She got my number, from a friend  
I brushed it off, full of shit  
She persisted, was obsessed  
Kept on knockinâ€™, I dismissed  
Crazy bitch, or so I thought  
She wanted more, wanted love  
Stupid ploys, been done before  
Sheâ€™d hit the screen, Iâ€™d hit ignore

1:36 (voicemail)

Itâ€™s not a lie  
Youâ€™re the guy  
Stop running  
Donâ€™t you hide  
We gotta talk  
Sort this out  
Iâ€™m am not  
Some crazy cunt

1:51

So we met up, not for drinks  
Is this my life? Death sentence?  
Donâ€™t get me wrong, chick was hot  
But was I ready to settle down?  
Iâ€™d foot the bill, if it was true  
Would agree, whatever she do  
But would you? Shit was nutsâ€¦  
And all I felt was fucked

2:04

Is she pregnant?

She wasnâ€™t insured, I dropped the cash  
Made the appointment, all that jazz  
Had to wait 2 weeks, before we could go  
I had to stick, with just that broad  
Shit was awkward, â€™cause I didnâ€™t care  
Didnâ€™t want her, or to be thereâ€¦  
When the day came, I had ish to doâ€¦  
Fly solo, hit me up when youâ€™re through

2:47 (voicemail)

So got some news  
Itâ€™s not you  
Itâ€™s not me  
Weâ€™re all clean  
False alarm  
girl stuff  
I canâ€™t bleed  
Need surgery

3:01

Holy shit! It ainâ€™t true!  
Fuck that kid, and fuck her too!  
No Baby mommas, â€™cause Iâ€™m white  
She canâ€™t conceive, good luck with that  
I wonâ€™t be lazy, always pull out  
Or just go asshole, if sheâ€™s down  
Enough with this track, I didnâ€™t mate  
Gotta find me a slut, and celebrate!
