Goin'™ out, don't feel right!  
My heart in pieces, need to get on track  
Have a few, here comes the buzz!  
Turnin'™ the corner after 1 more shot!

Wish I didn't have to do, what I'm about to do  
But I gotta screw! Gotta Screw  
Shes a frumpy girl, rockin a major gunt,  
And damn she's got a big ass butt!

1:01

Gonna take ya home we'll get it on!  
Feed my soul " You're my slumpbuster!  
An ego boost, a practice round  
Just what I need " You're my slumpbuster!

1:25

The crowd they're with, it's a dog pound!  
Just ask them to sit and go down!  
Theres no eye contact, just some fat slappin  
It's all about now " Don't care what  
happens!  
She'll probably stalk, blowin'™ up my phone!  
(blowin'™ up my phone)  
But I'll never talk, once I bust I'm gone!

Wish I didn't have to do, what I'm about to do  
But I gotta screw! Gotta Screw  
Shes cockeyed, got some thunderthighs,  
And the only chick that wears old spice!

2:12

Gonna take ya home we'll get it on!  
Feed my soul " You're my slumpbuster!  
An ego boost, a practice round  
Just what I need " You're my slumpbuster!

2:36

It hits last call, the bell tolls,  
Gotta get it done! (gotta get it done)

You got this one, ya got that one,  
Either way, got to get it doneâ€¦

2:47

If youâ€™re a single dude, and need to get your due  
â€“ ya do what you do, you know itâ€™s true  
Hit the avenue, rockinâ€™ with your crew, a night of  
booze, bar close at 2â€¦  
All the hot ones itâ€™s too much work, you  
droppinâ€™ cash for a night of flirtsâ€¦  
If you really want some skirt, you pound your fist in the  
sand, and dig yourself up a nice plump assâ€¦  
Theyâ€™ll always say yes, have pancakes for breasts,  
and warms you from winter to the spring dewâ€¦  
And when morning hits, and youâ€™re all through, say  
thatâ€™ll do pig, thatâ€™ll doâ€¦

3:23

Gonna take ya home weâ€™ll get it onâ€¦  
Feed my soul â€“ Youâ€™re my slumpbuster!  
An ego boost, a practice round  
Just what I need â€“ Youâ€™re my slumpbuster!
