i bought this ounce last wednesday,  
green was burnin' like a barn full of hay,  
and i'm high tonight,  
'cause i'm smokin' my weed.  
like a dealer i make my dough,  
this shit is 4 real...don't care if anyone knows....  
and i'm high tonight..  
'cause i'm smokin' my weed.  
why didn't i sell..  
those dimes i needed to sell....  
why did i let this weed get smoked away....  
now my world is spinnin 'round...and round.  
i can't see clearly,  
and i'm about to fall dowh--n.

this bag so full,  
these blunts in my hand....  
and i just keep thinkin' about  
this two dime bags..  
yeah, i'm high tonight  
'cause i'm smokin' my weed...yeah...

i carry a hitter to take a hit or two.....  
and i'll smoke up some shit in the bathroom at school....  
yeah, i'm high tonight,  
'cause i'm smokin' my weed...yeah..  
i lie on the couch and watch friday....  
if was smokie....big worm woulda killed me..  
yeah, i'm high tonight....  
'cause i'm somkin' my weed...yeah..  
how baked can I get..  
you can ask my soul..  
i use a bowl,  
cause i can't roll..  
a million dollars couldn't buy enough weed.  
cause a million seconds later.....i'd smoked all of it...

this bag so full,  
these blunts in my hand....  
and i just keep thinkin' about  
this two dime bags...

yeah...i'm high tonight  
'cause i'm smokin' my weed...yeah, smokin' it!

instrumental till.....3:37

tomorrow mornin' still gonna be blown....  
everyone from tonight gonna think i'm a ass hole.  
but i don't give a fuck.....can't you see...  
'cause i smoked.....smoked all my weed.

this bag so full,  
these blunts in my hand....  
and i just keep thinkin' about  
this two dime bags...  
yeah...i'm high tonight..tonight..  
'cause i'm smokin' my weed...ya..ya..ya..

this bag so full,  
these blunts in my hand....blunts in my hand  
and i just keep thinkin' about  
this two dime bags...  
yeah...i'm high tonight  
'cause i'm smokin'-smokin' up my weed....my  
weed..oooohh..yeah...

this bag so full,  
these blunts in my hand....  
and i just keep thinkin' about  
this two dime bags...  
yeah...i'm high tonight  
'cause i'm smokin'.....my weed...yeah...
