Ha!

Give it up yaâ€™™ ll â€™“ The class of â€™98
Theyâ€™™ re on cloud 9 â€™“ Thinkinâ€™™ that theyâ€™™ re
great
What they donâ€™™ t know is that it really ainâ€™™ t shit
Most have peaked â€™“ rest of their life theyâ€™™ ll
underachieve

So youâ€™™ re callinâ€™™ me an idiot
â€™™ cause I dropped out of school
But I have big plans
So fuck you!

All my life all I wanted was this
Fought all the fools â€™“ Dealt with nothing but shit
Now I got my break â€™“ The skyâ€™™ s the limit
And in 6 months lâ€™™ ll have my G-E-D

So youâ€™™ re callinâ€™™ me an idiot
â€™™ cause I dropped out of school
But I have big plans
So fuck you!

So youâ€™™ re callinâ€™™ me an idiot
â€™™ cause I dropped out of school
But I have big plans
So fuck you!

So youâ€™™ re callinâ€™™ me an idiot
â€™™ cause I dropped out of school
But I have big plans
So fuck you!
