ready or not, the whitest is back, still black, so ya best
take a fuckinâ€™™ step back..
eat your words like I did yoâ€™™ girl, ya pussy whooped
til death, while I play with her pearl.
Proclaiminâ€™™ my stake in your life, and to no surprise
- i just might,
bust through the wall you call game, exposinâ€™™ the
land to the truth behind yoâ€™™ name.
and death will be your claim to fame.

iâ€™™ m livinâ€™™ life on probie â€™“ state of Illinois
whipped my ass like toby
iâ€™™ ve fucked away bills youâ€™™ ve never seen, or
even dreamed, on fat-ass sceems.
gangstarr - you know my steez?

thought so, a combo of bad-ass, soft and pure when it
comes to the truth, iâ€™™ m the cure.
wonâ€™™ t save your day, cause i donâ€™™ t give a fuck,
but if the liqour and time is right â€™“
(0:43) weâ€™™ ll rideeeeeâ€™!
(0:51) weâ€™™ ll rideeeeeâ€™!

Weâ€™™ ll ride out in the...fuck. how is there no ride for
this hustler?
Dont piss off the GOV â€™“ theyâ€™™ ll fuck ya!
So now Im all about the taxicabs and limos â€™“ Yo
Homes to Chicago!

when you go to bed tonight....remember iâ€™™ m alive...
when you talk about the past....remember iâ€™™ m alive..
if you ever met me..... you thought somethangs...
if you ever saw me..... you thought somethangs
and if understand the crusade i lead, understand the
life i live..
understand the things i did, then youâ€™™ ve been
stung by the b
so if understand the crusade i lead, understand the life
i live..
understand the things i did, then youâ€™™ ve been
stung by the b

So said fuck chris barrett â€“ and all these midlo
games â€“ BS gotta roll â€“ Do his own thing
Now i got my own place, own stakes, own worries and
nuts to place, on your face,
the biggest asshole in the town, more like the mayor,
my office youâ€™re bound
love that hoes think they run me, they donâ€™t, i run
inside them, and climb out their throat,
graphic and foul, the distant profile, come a bit closer,
youâ€™ll get a coke and smile.
better understand me, or youâ€™ll never knowâ€¦
the entertaining entertainer, but it still ainâ€™t a show.
i ainâ€™t no thug, we know this.
immature and outspoken? you just dis
its plain and simple, for all the kids, no matter how you
think it â€“ I control my shit!
when you go to bed tonight....remember iâ€™m alive...
when you talk about the past....remember iâ€™m alive..
if you ever met me..... you thought somethangs...
if you ever saw me..... you thought somethangs
and if understand the crusade i lead, understand the
life i live..
understand the things i did, then youâ€™ve been
stung by the b
so if understand the crusade i lead, understand the life
i live..
understand the things i did, then youâ€™ve been
stung by the b

fade talkingâ€¦
