Was born ready knew the game at age of 7
Misunderstood they said I was crazy
Class entertainer, made jokes that were deadly
Made em all laugh got teachers hot and heavy
(Stop track silence)

(Tomoyasu Hotei Battle Without Honor or
Humanity)

No way No way No way That sure as shit

Wait a minute, wait a minute! this is it This is
it!

0:20

Enough with the games, hope you understood
Sometimes gotta dumb it down, it pisses me off
a unique cat its blessing and a curse
Some think I'm a douche Call me Fred Durst
Got serious on accident shit always does
Who knew what started as fun Would change my
life
wrote about things I did What happened to me!
Whole lotta BS Hows that for irony?

0:51

It's crazy huh?

1:00

Here's a little more!

1:02

Went from love to hate, got ahead of myself
Went from slangin' tapes To a studio stud
Worked with others- But said fuck that ish!
there's no I in team But there is a me!
19 notebooks and they're college ruled
It turns out that I'm a complex dude
Ya know never felt like I did a lot!
Turns out I'm Reggie the straw that stirred the
pot

I'm feelin' kinda nice Lookin' back on
my life!

And though I'm only 28!

To sum it up â€“ holy shitâ€“!

I am BS â€“ BS A Whiteman
Itâ€™s a whole lotta me! Youâ€™re welcome.
I am BS â€“ BS A Whiteman
Everyday that I breatheâ€“! Ha-ha-ha-ha-ha-ha

â€œya knowâ€“! We hate to be the kinda guys that said
we told ya soâ€“! But we told ya so!â€“

2:12

Think what ya want â€“ But what have you done?
Fuck the simple life â€“ My mind canâ€™t slow down
Went from this to that â€“ But never left this
Enjoy your gift â€“ 4 and half hours of bliss!

Like a hot bitch!
