another dog day with no end in sight..
time to let go.. head down the block..
everyone's there! there at my spot.. I like it..
ease my wounds, take me away..
I'll live to regret it another day..
It's zest like this I hope will never fade..
And I, I, I, I!

I feel it..
I feel it..
Tonight! (tonight)

I feel it..
I feel it..
Tonight! (it's mine)

1:11

I'm invincible, I'm a force..
I can fly, see the world..
Do whatever I want to! oh, I like it! (like it..)
Reality's my cripple, it's my thorn..
That's why I brake away from the norm..
The globe is spinning my way tonight!
And I, I, I, I!

I feel it..
I feel it..
Tonight! (tonight)

I feel it..
I feel it..
Tonight! (it's mine..)

I feel it..
I feel it..
Tonight! (tonight)

I feel it..
I feel it..
Tonight! (it's mine..)

2:20
(pick it up as you go..)

With a twist and dip..
I Fade away..

With a twist and dip..
I Fade away..

With a twist and dip..
I Fade away..

With a twist and dip..
I Fade away..

And I, I, I, I!

I feel it..
I feel it..
Tonight! (tonight)

I feel it..
I feel it..
Tonight! (it's mine..)

I feel it..
I feel it..
Tonight! (tonight)

I feel it..
I feel it..
Tonight! (it's mine..)

I feel it..
I feel it..
Tonight! (tonight)

I feel it..
I feel it..
Tonight! (it's mine..)

I feel it..
I feel it..
Tonight! (tonight)
