(Verse 1 - Rai L)

Ok, I said we bout to make history
Rai L on it pop bottles to your misery
Shout out to my nigga, my homie Willie P
And we gon keep this shit alive until 2023
I got some retail money, waitin on the side
show dem details for me, they couldve said i lied
Thats why i just settle, cuz i know the word mines
on some scarface shit, i know these niggas ain't
surprised
Man im the real thing, u actors praisin the wrong
im circumsizing the money, they downplaying my fall
and me and my team eatin, we watchin yall tryna ball
man music speaks for itself, and yall rappers don't
rhyme at all
u rappers aint even artists we rap to produce the vision
u rap to seduce the women, we rap to reduce the sinnin
(yea) until u can say it to my face
then i aint hearing shit you gotta say, Rai L

(Hook - Rai L)

I don't care, I don't care, throwin money everywhere
Ridin shotgun in this bitch, you ain't know i was a player
I don't care, i dont care, gettin money is the motive
Man we got it til we can't do it no mo', thought I didn't
know?

(Verse 2 - Joe Joe)

U know I got the money, and not blow it nigga
I reach up in my pockets, and then i throw it nigga
i make it rain on ya, with 50s and 100s
That is wat im talking about that big boy stuntin
Keep them bottles comin cuz u know im jive thirsty
Never let them feelings hurt me wit all this cash'll make
you merk me
You know i never stop, ballin til my casket drop
Between states you know we on top and we too real for
us to flop
Them hoes jumpin everytime we drop a new single

Like that joint "Shake Dat Azz" now them bitches wanna
mingle
It's MOB with me, girl I got a wifey
I been hittin the studio droppin hits nightly
BSF a movement you're gonna get used to us
we're giving you this music here and stamped and
we're still proving it
Everytime i hit the track, boy I Lex Luger it
My whole team going hard like junkyard and I'm threw
with it

(Hook - Rai L)

I don't care, I don't care, throwin money everywhere
Ridin shotgun in this bitch, you ain't know i was a player
I don't care, i dont care, gettin money is the motive
Man we got it til we can't do it no mo', thought I didn't
know? (2x's)

(Bridge - Bre)

Woaahhh.. woooahh.. woooahh.. yeahh (2x's)

(Hook - Rai L)

I don't care, I don't care, throwin money everywhere
Ridin shotgun in this bitch, you ain't know i was a player
I don't care, i dont care, gettin money is the motive
Man we got it til we can't do it no mo', thought I didn't
know?

(Verse 3 - Tokyo)

Can't eat the word nigga ima go get her
Living by the moment and i fear no nigga
Swag so fresh, style more wicker
kush in the blunt big box of the swishas
Danked out in that new whip, ass out on my new bitch
I just signed my will off, they claim that im too sick
My crew done got my smoking while im sippin on that
potion
her ass is movin fast so my thoughts are roller coastin
I carry extra bread but you'll never catch me loafin
All you see is bad bitches when them lambo doors are
open
(s,s,swag)
Gucci on the bentley staring how them doors lift
Miles drop look like they never seen a foreign whip
On them lamborghini doors up on that porsche shit
You on that dealer gotta check your credit score shit

(Hook - Rai L)

I don't care, I don't care, throwin money everywhere
Ridin shotgun in this bitch, you ain't know i was a player
I don't care, i dont care, gettin money is the motive
Man we got it til we can't do it no mo', thought I didn't
know?
