I am unstoppable So rich and powerful You' re gonna bow before The one and only one

You shoot the green in your vein
To feed your fat fucking face
The green is greener today
Then it ever was and now it' II never be the same

I am unstoppable So rich and powerful You' re gonna bow before The one and only one

I am unstoppable yeah So rich and powerful oh oh You' re gonna bow before The one and only one

No emerald forest for me
The mint is all that i need
The world is covered in green
And the house effect is in effect and always was

I am unstoppable So rich and powerful You' re gonna bow before The one and only one

I am unstoppable yeah So rich and powerful oh oh You' re gonna bow before The one and only one

The one and only
The one and only one
The one and only

I am unstoppable So rich and powerful You' re gonna bow before

The one and only one
