"Tremendous And Wide"

Iâ€™ve seen your mountains

He wants rain
The altar bloodies
She wants to be saved
He wants all her money

Pyramids stand
The test of time
That cross you bear is still a millennium shy

Swallow the ocean
Tremendous and wide
Tell me a story baby
Like a kid at bedtime
Swallow the ocean
Tremendous and wide
The ocean of lies

Celebrate
Unconquered sun
Familiar but the son is a different one

Letâ€™s go below
And have some fun
Then rise again like Mesopotamian

Swallow the ocean
Tremendous and wide

Iâ€™ve seen your mountains
Deep in your belly
Eating their magic
Leaving the valleys

Tell me a story baby
Like a kid at bedtime
Swallow the ocean
Tremendous and wide
The ocean of lies

He wants rain

The altar bloodies
She wants to be saved
