[Hook (2x)- BuGsi]

I DON COME AGAIN!! (aay!!), Back to the Mic.  
I DON COME AGAIN!! (aay!!), Back to the Mic.  
Back to the Mic., back, back to the mic.  
Back to the Mic., ba-ba-back to the mic.

[Verse 1- BuGsi]

Back to the mic.-the device, the wires, the lines, aight?  
no surprising- the sign's inside the rhymes, I'll  
put your eyes on my lines and mine be sci-fi  
me designed for the rhymes, besides, it's my time  
Realize, nigga, rise- it lies in my rhymes  
This is time for ma shine- they like, and ma style  
Is insane. is he sayin' the same insane thing?  
Since he came in the game it ain't the same thing  
Say my name all around- yeah you heard me before!  
Kinda stayed underground since I dropped "To The  
Flow"  
Now I'm back to the throne, look around and I see  
A Buncha fake asses, haters and copycats! Gee!  
Just know!. The real BuGsi's Back!  
Spittin' fire on the mic., imma burn this track,  
This calls for celebration, Let the drinks pop  
Cos The Lord, (Oh God!), the king of hip hop is!

[Hook (2x)- BuGsi]

I DON COME AGAIN!! (aay!!), Back to the Mic.  
I DON COME AGAIN!! (aay!!), Back to the Mic.  
Back to the Mic., back, back to the mic.  
Back to the Mic., ba-ba-back to the mic.

[Verse 2- BuGsi]

You all hear BuGsi rap- you don't know what this  
is!  
Definitely not of the human species  
I'm outta this world so I talk this way  
I give punch lines free like it's boxing day  
Colorful world- I'm popular, haters turn green

You niggers is just silicone- I am the real deal!  
cos the game wasn't right soon as I left  
no contest in this quest I'm the best they confess  
O yes I'm the best, other rappers let go!!  
I'm the best rapper alive- E-Kelly Said so!!  
Sizzle said so, and you niggas better know  
Somewhere out there I know Shady said so  
Left the game for a while, it collapsed like an  
avalanche  
You cannot be current without me- I'm the power  
plant!  
See what happens when I turn my back to the mic.  
Nigga, rappers turned to crap so I'm back to the,  
chik-it-chik-it

[Hook (2x)- BuGsi]

I DON COME AGAIN!! (aay!!), Back to the Mic.  
I DON COME AGAIN!! (aay!!), Back to the Mic.  
Back to the Mic., back, back to the mic.  
Back to the Mic., ba-ba-back to the mic.

[Verse 3- BuGsi]

Back with the biggest, illest, thickest, the wickedest,  
sickest flow!!  
And these weak ass niggas thinking they sick cos, they  
suckers though  
And because they think of the fakest, wackiest, I think  
of the sickest,  
Thickest, The geekest, the neatest making they  
speakers blow!!  
Fake ass haters say I'm outdated, I'm faded  
and withered  
I'm getting slake and I'm caking, whatever  
made 'em to say that??  
And so I'll ball when I get them, going against them  
going to get them, want me to get them??  
Going to get them, Man I gotta get a medic in a minute  
mahn I gonna wanna finna drop another bomb!  
Get it? Mehn im gonna wanna get em in a minute but I  
came in here ma nigga  
Mehn I gonna wanna finna get a medic and a  
mannequin I mean it, get a minute mehn I gotta get  
dominican  
At bennigans I finna get a mannequin, I finna get a  
minute mehn I get 'em in a vindicate Dominican-  
the vaticana renegade, I'm in again, I'm in to  
gain a medic and a medical. I finna get 'em  
vindicated  
Meaning that I gotta get a little bit of it again, I mean im  
gonna wanna get a little bit of it again  
Spitting on the rhythm and it doesn't really matter

because I can take it fast or take it slow,  
yo killed this shit enough- screw thisâ€¦  
But I wanna see any other rapper do this!!!

[Hook (4x)- BuGsi]

I DON COME AGAIN!! (aay!!), Back to the Mic.  
I DON COME AGAIN!! (aay!!), Back to the Mic.  
Back to the Mic., back, back to the mic.  
Back to the Mic., ba-ba-back to the mic.
