[Intro- Don Antonio]

Itâ€™s Don Antonio, lâ€™m back again, okay- BuGsi,
Moral Technik, uhn..

[Verse 1- Don Antonio]

From under the seas, to the heavenlies,
I pervade all the earth with my melody
lâ€™ll put insanity to all humanity
And have them stuck to the ground like gravity.
lâ€™m never gonâ€™ stop, one by one you all drop
Your life is like a story but today I put the full stop
You hear the glock pop then you hear your heart stop
Uhhâ€¦ I take you down like a good cop
(like a good cop) my flow is therapeutic
Like chloroquine- I hope you aint allergic (okay)
Paranoid- you getting prophylactic
Now you feel the consequences of your lack of tactics
(oh boy) stepping on you leprechauns
Way under my feet so I donâ€™t think I need a
fuckinâ€™ gun
When I hit, you fucking run, just as dumbs- fucking
blonde
My flow is like a bubblegum- you cannot help but chew
it on!
On.. bring it on if you can
Try to mess with me- lâ€™ll dip your leg in my shock
tank
Donâ€™t think youre tough cos you gangbang
Or lâ€™ll pull this steel through your stomach â€™til
your guts hang!
haha! See I am wicked, nigga
Look into my eyes as I pull the fucking trigger!
My flow is like my dick and there is nothing bigger,
So get out of the way- make way for Don Antonio,
Nigger!!

[Interlude- BuGsi and Don Antonio]

Okay, BuGsi, go get â€™em
You donâ€™t need to tell me twice, nigger, yeah
lâ€™m on the mic., so everybody shut up, shut up, shut
up, listen, listen, listen
Yeah, itâ€™s BuGsi, nigger

[Verse 2- BuGsi]

Yes you- guess whoâ€™s rapping on the Mic. in verse two?

Rapping for the beats and repping for the streets and using my spit to oppress you.

Punch lines, lyrical blows, typical flows, killing my foes, Giving them hits- feeling my heat on the beat and they sit on the street- itâ€™s sweet

As sex and the city- on both cassette and VCD

See me selling my CD, chilling with Simi my sweetie

See me deciding the setting; insinuating and stating, Just emulating Bin Laden, Saddam, and running the city

Right from the left, right, up, down, forget all them other clowns,

Fuck Rihanna, Jay-Z, Kanye West, man, I run the town, Freaky, freaky- wake up now, wait a second, take your time,

J-Town in my hand- I can build it up or break it down!

Thinking Iâ€™m faking? Just wait a second and take in The words Iâ€™m spitting and speaking- they sick as Suka or 6tyn

And you can check me this weekend and you may find me at my residence,

Flows so illâ€¦ man, Iâ€™m sicker than the president!

Listen- I promise everybody that Iâ€™m never ever gonna leave again,

Never leave the game, thatâ€™s what I meant in

â€œTo The Flowâ€¦, you know-â€œMan I came in the gameâ€¦

Itâ€™s insane- I donâ€™t even need to explain shit to you- you should get what Iâ€™m saying

Straight to your brain- straight to the centre it enters presenting, depends on the whens and

Hence you discern it- just decipher the sonic

In case you donâ€™t understand it- Iâ€™m taking over this planet

This world is mine- itâ€™s been mine since 1995,

Sorry, â€™92, 1992, Fuck it! This world is mine!

[Verse 3- MoTeck]

Yo! light up my buzzwax here like cigar (yeah),

Ride on top of cheetahs like my name was Kumar (yo)

Held back by gravity- Iâ€™m living live obsessions,

I do a lot of hard work- my outcome is bizarre!

Hereâ€™s another word for the Lazy-ass suckers

You wanna finish first? You gotta pick it from baseline,

Walk into my closet- see your future televised,

Send me the Rainman- Iâ€™m bringing back the sunshine

Making life beautiful- pictures in HD
Paid a lot of dues, man, my wage is over balance,
Set to make a difference, this shit is mine to do
Look at me right now- I know you starstruck.. uh
Spectacular music that I make- so miraculous
Drive her all the time, I make it happen- whoâ€™s the
greatest?
Busting your lips all the time like vernacular
Running for my service any time For your convenience,
yeah (go get â€™em baby *echo*)
