[Intro- BuGsi]

(UNIMAS ONE!).. Uh huh.. Sam X in the building... BuGsi
on the beat, yaw.. I don't think you're ready for this one,
but you're all about to witness what we call rap- R.A.P.
This is what we want y'all to do mehn...

[Hook- BuGsi]

Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I
Say Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I, come on!

[Verse 1- SMac]

I walk like that and I talk like this...
Chillin' in the crib with the flows I dish
Sending them out one by one
Checking your name on my christmas list.
When I spit my acid, you hear what I said
Fluent like french- even water can't quench
And I'm saying what I'm saying, it's the game that I'm
playing
All the pictures and the fame, now I'm here just to
claim, yeah

[Hook- BuGsi]

Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I
Say Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I, come on!

[Verse 2- SMac]

Now stop, put your hands up, now drop,
Listen to my voice, don't think you have a choice
Cos my music is addictive, drugs couldn't fix it

Come meet the rap doctor, you know that I taught ya,
Taught ya all the lessons that you know
Everything about the rap game- the lyrics that you show
So listen to me, listen to me, come on now
Listen to me, let's go, yeah..

[Hook- BuGsi]

Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I
Say Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I, come on!

[Verse 3- BuGsi]

When I'm spitting the shit that I spit- I repeat
When I'm spitting my shit, the elite don't sit.
Everybody stands up, they put their hands up,
They don't sag in my presence- they put their pants up!
Cos they know- know that they know when I flow
Everybody gets so nervous and lets go
Cos BuGsi said so, they ask for directions,
Meet the pedestains, asking 'em questions.
"Who is the best?" "Who is the pest
That's infesting the west?" "Who is investing?"
It's best you confess cos the pest is infesting
The rest of the world and evolved into jettison
And cancer- pay him the ransom
Ask who's the best and I'll tell you the answer
Starts with the B. To the U.G.S. To the I.,
B. To the U. To the G.S.I.- BuGsi!!!

[Hook- BuGsi]

Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I
Say Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G. (What???)
Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I
Say Hands Up! Everybody raise 'em high
And keep the hands up for the days and nights
Let it be so real so you and I
know this is Sam X, B.U.G.S.I, come on!

[Outro- BuGsi]

Yo, Sam X, let's get the hell outta here.. Haahahahaa
