Sometimes I try to say hello  
But the words get stuck in my head  
And when I try to let you know  
Fate conspires again

I know there's something  
Something inside me  
That wants to call you home  
But I when I try to  
Talk to or find you  
All that comes is a

So I say Hey!  
Hey  
I say Hey!  
Hey

Sometimes I want to let you know  
That I didn't mean what I said  
But when I try to let you know  
It's like my mouth gets sewn with thread

I know there's something  
Something inside me  
That wants to call you home  
But I when I try to  
Talk to or find you  
All that comes is a

So I say Hey!  
Hey  
I say Hey!  
Hey

So I gotta let you know  
That I need for you to stay  
Cause it's whenever that you go  
That I lose myself again
