Have you ever felt the ground?
Like a lover turned down
Ever thought that you had it,
Then watch it fade away?
I said, have you ever felt the ground?
Have you ever seen the tears?
Of a man who hears
That who he loves has replaced him
He's too proud to heal
Have you ever seen those tears?

You're like a one-winged angel
On your hands and knees
Trying to tell the world
That you're not incomplete
You'd have the world at your fingertips
But your hands are on your knees
You're like a one-winged angel
Trying to swim the sea
You're like a one-winged angel
Like a one-winged angel

Have you ever seen the stars?
Picked your own?
Ever come back and lost it,
Though you searched all night?
Do you ever see the stars?
Have you ever felt alone?
Like the moon's bright glow
When your friends try to call you
You don't pick up the phone
Have you ever felt alone?
