I remember those days  
When I didn't know you  
It felt like I was always wanting more  
I will admit  
That I wasn't looking  
I always thought I'd be fine on my own  
It makes me laugh when  
I think about the first time that we spoke  
Oh no  
Ain't it funny?  
You never know your broken till you see  
Someone whole?

It's hard to say but still I'll try  
To tell you what this feels like  
I always want to always be with you  
And I know that I am slow to learn  
Slow to listen, slow to turn  
But I always want to always be with you

It's been three years  
And I never knew  
That you can know so much but still not know a thing  
This might be rude  
But I know that you  
Are the only one that I can look up to  
It makes me laugh when  
I think about the first time that we spoke  
Oh no  
Ain't it funny?  
You never know your broken till you see  
Someone whole?

Suddenly  
The words you say  
Burn in me
