When we were young  
Hymns were sung but never sold  
Never sold

You flung your hands  
In His plans, they're getting cold  
Getting cold

If you're fearful  
Finger them out  
If you're vengeful  
Scream when they shout  
If you're wealthy  
Blessed is your name  
If you're wicked  
Live with no shame

You've got no soul  
You've got no soul

The debt parents paid  
Prophets pray for little kids  
Little kids

Faced with their fate  
The Maker's bait swallows them in  
Swallows them

If you're fearful  
Finger them out  
If you're vengeful  
Scream when they shout  
If you're wealthy  
Blessed is your name  
If you're wicked  
Live with no shame

You've got no soul  
You've got no soul

One chance to toss  
Shit when you've lost, see where it lands

Your faith in him  
Struck on a whim for all your fans

Youâ€™ve got no soul  
Youâ€™ve got no soul  
Soul
