And that pursue she got is coach so I'm pass at ya

Verse 2:

Yea she one of a kind, and I like what I see

And I might whine her and dine her, it's just the
gentlemen in me

Trying to have her to myself is what I seek

It's the mission, I agree, hope she seeing more in me

Til she hit me with that Diddy line, quoted All About the
Benjies

Had me hypnotized, cause she only ride in Bentley's

Gucci, Loui, Prada, Chanell, and even Fendi

Others I can't even pronounce, do you feel me

And Kanye say she ain't no gold digger

Man, but she ain't messing with no broke niggas

She had one just buy her condo, the other pay her car
note

Sorry nice to meet you in a note up on her car door

I jogged, I sprinted,

I told her every once in a while that we can kick it

You get it, cause I ain't got it like that

And even if I did she wouldn't get it automatic
