Hold me close..... don't you understand... oh no
Hide away..... never looking back... oh no

Our House Our House in a room of it's own
Our House Our House and it's true what we've known
Our House Our House in a room of it's own
I found our house me and you

I can't find..... what I'm searching for today
Given time..... you will see that we are one

Cause Our House Our House in a room of it's own
Our House Our House and it's true what we've known
Our House OUR House in a room of it's own
I found our house me and you

Don't you want to go with me again
I've taken all the time.... to.... feel

La la la la la la..... la la la la la
La la la la la la..... la la la la la la la la la
La la la la la la..... la la la la la
La la la la la la..... la la la la la la la la la

Our House Our House in a room of it's own
(La la la la la la..... la la la la la)
Our House Our House and it's true what we've known
(La la la la la la..... la la la la la la la la la)
Our House Our House in a room of it's own
(La la la la la la..... la la la la la)
I found our house me and you
(La la la la la la..... la la la la la la la la la)

Our House Our House in a room of it's own
(La la la la la la..... la la la la la)
Our House Our House and it's true what we've known
(La la la la la la..... la la la la la la la la la)
Our House Our House in a room of it's own
(La la la la la la..... la la la la la)
I found our house me and you
(La la la la la la..... la la la la la la la la la)

Our House Our House in a room ot it's own
(La la la la la la..... la la la la la)
Our House Our House and it's true what we've know
(La la la la la la..... la la la la la la la la la)
