I'm doin' fine
and you look great
I think about you too, sometimes
I'm dealin' with the problems my words made

And I pushed you away
I was afraid
Of being hurt
and still my heart fades

The truth is I'm lyin'
I don't know what to do
The truth is I'm cryin'
Cuz' I'm not over you

And what do I do
When I'm thinking of you
Try to forget
But I'm not ready yet

She's pretty
And you two look happy
I'm seein' somebody, too
Even though I still miss you

The truth is I'm lyin'
I don't know what to do
The truth is I'm cryin'
Cuz I'm not over you

What do you think
About getting a drink
We can talk about the old days
I'll listen to what you say

I wish we had stayed friends
Never should've dated
Now we've come to an end
And I've become the person the old me would've hated

The truth is I'm lyin'
I don't know what to do

The truth is I'm cryin'
Cuz I'm not over you

No, no, no, no
Oh, The truth
