Startin new trends, now she wanna kick it
Cus I'm futuristic x2
When it comes out I'm the first to get it
That's why everything I got's always futuristic
I don't gotta try hard cuz I really live it
That's cuz everythin I do's always futuristic
Hasn't came out yet but I'm ridin in it
Cuz I'm futuristic x 2

I disqualify niggas like a tyson fight
Vs holyfield all they do is bite
But when I recite, everythings unique
My salary represents the winning strategy
Actually pass the weed I'ma light it up
That shits alright, but it aint nice as us
Smokin mary jane in jaccuzzi tubs
Bad girls comin up wanna f with us
Cuz they know we get dollers like god we trust
Crackin bottles with your b on a party bus
Gettin so crunk we just call it cdunk
And were gettin smashed cuz were makin cash
In the h.o.v and were goin fast
You can hate on me, but it wont last
Your gonna have to realize I'm the f-in past
Present and the future, ur just talkin trash

Startin new trends, now she wanna kick it
Cus I'm futuristic x2
When it comes out I'm the first to get it
That's why everything I got's always futuristic
I don't gotta try hard cuz I really live it
That's cuz everythin I do's always futuristic
Hasn't came out yet but I'm ridin in it
Cuz I'm futuristic x 2

Still a mystery, how I hit the scene
And I flow so mint, listorine
Cuz I'm literally, makin history
This aint new to me, cuz I been a g
It's consistancy, cuz I'm constantly
Blazin j's only if they smoke properly
And my properties, like monopoly

Do it big and there aint nobody stoppin me
They're just wannabes, I'm the real deal
I'm the hottest thing out ridin four wheels
And I'm for real, like honesty
Honestly got ur ex girl callin me
All the time man, I think the b is stalkin me
Hit it up so good, made her fall asleep
She don't believe in monogamy
I'm like the final boss nigga cuz I'm hard to beat

Startin new trends, now she wanna kick it
Cuz I'm futuristic x2
When it comes out I'm the first to get it
That's why everything I got's always futuristic
I don't gotta try hard cuz I really live it
That's cuz everythin I do's always futuristic
Hasn't came out yet but I'm ridin in it
Cuz I'm futuristic x 2
